

**Evaluation of NICE slides for social workers**

|  |
|--|
| At what stage in the social work course did you use the slides?  |
|  |
| What was your experience of using the slides as an educator?   |
|  |
| What was the students' response to the slides?   |
|  |
| Did you feel that anything needed to be changed or added to the slide set?   |
|  |
| How did you ask the students to evidence their learning from the slides, such as within their assignments or during their placements?                        |
|  |
| Did you use other NICE resources in your teaching, such as viewing webinars or looking at a guideline or a quick guide?                                      |
|  |
| Do you have any more comments to NICE about the effectiveness of the slides in educating social work students about NICE social care resources and guidance? |
|  |
| Please add any other feedback you have for NICE  |
